FRIDAY NIGHTS GO OFF ON 100.9FM NOONGAR RADIO

Perth's Noongar community can 'get their groove on' and 'get it crackin' every Friday night on 100.9fm Noongar Radio.

RnB lovers and all the Hip Hop crew will be able to hear the music they love every Friday night between 6pm and midnight.

Kerry Reid and Karla Hart present the RnB show from 6-9pm, playing a selection of old and new RnB music as well as keeping you up to date with all the gossip.

From 9pm –midnight, the 2 Norty Bros take over Noongar Radio, presenting three hours of local, national and international Hip Hop.

Samuel Pilot-Kickett and Jamahl Ryder are hilarious as the 2 Norty Bros. They not only play kickin' music, they'll have you in cramps with their offbeat take on the music scene.

Kerry and Karla kick the party night off with an awesome mix of old school and new release RnB tracks.

Both shows are presented by volunteer broadcasters dedicated to their genre of music.

Noongar Radio is dedicating Friday nights to all the young people in our community – and the young at heart!
